La ricerca guidata consente di ricercare simultaneamente termini differenti in vari campi citazionali dei risultati. Iniziate inserendo un termine nel primo campo di ricerca, successivamente selezionate quale campo ricercare dalla lista che si apre a partire da **Select a Field (optional)**, ad esempio **Subject Terms**.

La lista dei risultati si visualizzerà e il numero totale dei risultati ottenuti apparirà in alto. È semplice filtrare i risultati applicando i limiti sulla sinistra. La lista dei risultati può anche essere filtrata per tipologia di fonte, ad esempio periodico accademico, rivista o quotidiano, selezionando i riquadri corrispondenti alla fonte desiderata. Potete visualizzare i termini ricercati, ogni filtro o espansore applicato e i soggetti selezionati sopra la sezione dei limiti.

## EBSCOhost Research Databases

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

### EBSCO Support Site

EBSCO's [Support Site](#) is available 24 hours a day, 7 days a week. Our FAQ database, [tutorials](#), and user guides can provide answers to your technical questions.

EBSCO Customer Support Representatives are also available by [phone](#) and [e-mail](#) 24 hours a day, Monday through Friday, as well as Saturday and Sunday from 9 a.m. to 5 p.m. (US EST).

### How to Use Help

- When the Help icon  appears, you can click the icon and help for the screen you are on will display.
- To obtain help for the database(s) you are searching, click the Help icon  to the right of the Find field and click on the Database name at the bottom of the left-hand side of the Help window. Database help is also available from the Choose Databases window.
- To view the entire Help System, click the [Help](#) link at the top right-hand corner of the screen.

**Note:** The recommended screen resolution for EBSCOhost is 1024 x 768.
