**Towards a sustainable
use of plant protection
products:**

**“Safe Use - Measures
to minimize risks to
humans”**

WORKSHOP 2

The Plant Protection Product Label

- ✓ **Read the PPP label and discuss within your group:**
 - Product classification
 - Safety /precaution measures to minimise operator and worker exposure risk
- ✓ **With regard to product label discuss:**
 - What is the practice in your country?
 - What guidance is given by the competent authorities?
 - What are the control measures taken?
